

Arizona Department of Health Services  
Office for Children with Special Health Care Needs  
Integrated Services Grant

**WANTED!!**  
**Parents/Families of Children with Special Health Care Needs who are 0-3**

The Arizona Department of Health Services, Office for Children with Special Health Care Needs was recently awarded a federal grant to review integration services for children and youth with special health care needs (CYSHCN).

A parent-led Community Action Council is being formed to ensure that the voice the parent/family is integrated into all activities of the grant. Council member responsibilities include:

- The ability to envision new systems and the authority to implement change;
- Accepting responsibility, through your commitment, for the activities taken on by the council;
- Sharing your knowledge about issues relating to the services for CYSHCN and their families; and
- Identifying areas of cooperation and collaboration.

If you are interested in joining the Parent Council or to receive more information, please contact Marta Urbina, Health Program Manager, Office for Children with Special Health Care Needs at [urbina@azdhs.gov](mailto:urbina@azdhs.gov) or (602) 364-3301.

The first meeting will be held in January, so please contact Marta by November 19 to express your interest.
